Introduction:

The Miamisburg Municipal Court gives you the opportunity to have your case dismissed and avoid points on your license if you complete the Safe Driver Online program. This means no points go on your license, and your insurance rates are unlikely to go up as a result of your ticket. By requiring each participant to complete the Safe Driver Online program, the Miamisburg Municipal Court seeks to promote safe driving and ensure the streets are safer for everyone.

What's next:

1. Speak to someone in the Clerk's office to determine if you are eligible for the program. Most drivers are eligible.
2. Let the court know that you plan to participate in the program.
3. Go to SafeDriverOnline.com and purchase the course for \$29.95.
4. Complete the course. It takes about 2 hours. You don't have to do it all at once; you can do part and then pick up where you left off. You can use a computer, tablet, or smartphone.
5. One business day after you finish the program, Safe Driver Online will send your certificate of completion to the Miamisburg Municipal Court and your case will be dismissed. You won't need to file anything else with the court.
