**APPLICATION FOR
EXPUNGEMENT AND/OR
ORDER TO SEAL RECORD
(ORC §2953)**

NOW COMES the Defendant herein, who makes application for an Order of Expungement and/or Order to Seal Record, pursuant to Sections 2953.31 through 2953.55 of the Ohio Revised Code, which sections provide for the expungement and sealing of the record of an eligible misdemeanor conviction, or of a non-conviction, as a result of dismissal or not guilty finding.

If this application is being made to expunge a conviction, the Defendant states that they have fulfilled all sentencing provisions, and that more than one year has passed since the Defendant was released from probation.

The Defendant contends that he/she is entitled to an Order of Expungement and/or Order to Seal Record, because he/she meets all of the prerequisites provided in the Ohio Revised Code, to wit: (1) Defendant is an eligible offender; (2) that there are no criminal proceedings pending against the Defendant; (3) that the Defendant's rehabilitation has been attained; and (4) that the expungement of this record of conviction is consistent with the public interest.

WHEREFORE, the Defendant respectfully moves this Court to set the matter for hearing, and for an Order expunging and/or sealing this record.
