Defendant.

---

**NOW COMES** the Defendant herein, who makes application for an Order of Expungement and/or Order to Seal Record, pursuant to Sections 2953.31 through 2953.55 of the Ohio Revised Code, which sections provide for the expungement and sealing of the record of an eligible misdemeanor conviction or non-conviction, as a result of dismissal or not guilty finding.

\_\_\_\_\_If this application is being made to expunge and/or seal a conviction, the Defendant states that they have fulfilled all sentencing provisions, and that more than one year has passed since the Defendant was released from probation.

\_\_\_\_\_If this application is being made to expunge or seal a non-conviction, the Defendant states there are no pending charges against them at this time.

\_\_\_\_\_The Defendant contends that they are entitled to an Order of Expungement and/or Order to Seal Record, because defendant meets all of the prerequisites provided in the Ohio Revised Code, to wit: (1) Defendant is an eligible offender; (2) that there are no criminal proceedings pending against the Defendant; (3) that the Defendant's rehabilitation has been attained; and (4) that the expungement and or sealing of this record of conviction or non-conviction is consistent with the public interest.

**WHEREFORE**, the Defendant respectfully moves this Court to set the matter for hearing, and for an Order expunging and/or sealing this record.
